

SOCIAL INCLUSION SECTOR

In EPTISA's extensive business portfolio, SOCIAL INCLUSION sector is one of the fastest growing and therefore one of the top priorities in our business operations. Eptisa has gathered world-wide experience and positioned itself as one of the leading consulting company in providing technical assistance in socio-economic development field.

EPTISA has track record in supporting number of governments, local government institutions and other beneficiaries in enhancing social inclusion, establishing durable solutions for social integration of disadvantaged groups, enhancing social welfare effectiveness, providing active policy measures in social and employment sector and promoting entrepreneurship.

What we would like to highlight is our successful work with disadvantaged groups and their social integration on multiple levels. In our scope of work we have vast experience in working with: national minorities, refugees, IDPs, migrants, youth, women, LGBT, sexual minorities, people with disabilities, unemployed etc.

SOCIAL INCLUSION

- Establishment of durable solutions for social integration of disadvantaged groups
- Development, assessment, monitoring and evaluation of social related policies
- Promotion and enhancement of entrepreneurship, including social entrepreneurship
- Provision of active labour market measures
- Contribution to reduction of unemployment rates and promotion of economic and social cohesion
- Implementation of measures to increase adaptability and employability of unemployed persons and combating social exclusion
- Promotion of concept of decent work
- Protection of human rights, equality and universal freedoms
